

# ANNUAL PLANT SALE

## Fundraising Project

*General Information*

## ANNUAL PLANT SALE

**Materials Needed:** A nursery that will deliver plants to the church; a room to store the plants until they are picked up (people pick up their plants on Sunday); tabs to identify plant orders.

**Description:** Everyone needs flowers and other annuals in their yards or windows! Take orders for plants about 6 weeks before "planting time." Be sure to give your group members basic information about each kind of annual that the club is selling, maybe even with small pictures in a "booklet"! The nursery should be able to give you "wholesale" price, and you can sale at "retail." All orders should be prepaid! An extra fee could be added for "home delivery."

**Level of Difficulty:** Medium

**Primary Audience:** Parents, neighbors, Church members

**Approximate Profit Margin:** 6-20%
