## **Memory Verse Policy**

**By Master Guides:  
Chris Fishell & Randy Raynes**

The policy on the following page is a recommended manner to complete the memory verses needed for the AY progressive class work. If your Pathfinders also attend the local church we encourage the various youth and children's departments to be coordinated in an effort to invest every attending child. Sabbath School is often the easier place to assign memory verses and the like.

The school, church, and club all play a role in developing our youth and fulfilling the Adventist Youth/Adventist Junior Youth Progressive Class Work. For more information on how this is accomplished see the latest edition of the Seventh-day Adventist Church Manual sections on AY Societies and the other youth areas. You may also contact *Xtreme Youth Resources International<sup>SM</sup>* and your local Pathfinder Coordinators and Conference Youth Ministry Director for assistance.

## **Pathfinder Class Memory Verses**

Pathfinders are required only 7 memory verses each year. We have placed them in a list and dated the time when they will be required to memorize each.

*(See the Xtreme Youth Resources International<sup>SM</sup>, Adventist Class recommended memory verses guide).*

Each Pathfinder will recite to their unit Scribe the meeting's assigned memory verse during the roll taking period of opening exercises. Any Pathfinders who does not memorize a verse on time will not be immediately penalized, however; if they are not complete by the close of Progressive Class Work on March 1 the Pathfinder will not be invested.
